ABOUT US

Founded in 2020, Village Precision Pros has rapidly become a leader in outdoor transformations in Central Arkansas. Our commitment to quality and our attention to detail are what set us apart. Whether you need a simple landscape design or a complete outdoor overhaul, we approach each project with the same dedication and enthusiasm.

We believe that your outdoor space should be an extension of your home, a place where you can relax, entertain, and enjoy the beauty of nature. Our team of professionals brings years of experience in hardscaping, landscaping, and custom woodworking, ensuring that every project we undertake exceeds your expectations.

OUR MISSION

At Village Precision Pros, our mission is to provide top-tier outdoor services that enhance the beauty and functionality of your property. We are committed to using the highest quality materials and the latest techniques to deliver results that are both stunning and sustainable. Your satisfaction is our ultimate goal.

OUR SERVICES

Hardscape & Masonry

Our hardscaping services are designed to bring lasting beauty and functionality to your outdoor space. We specialize in custom stone masonry, creating stunning patios, walkways, retaining walls, and more. Each stone is carefully selected and placed to ensure a perfect fit and a flawless finish. Whether you desire a rustic, natural look or a sleek, modern design, we have the skills and experience to make it happen.

Landscape & Irrigation

Transform your yard into a lush, vibrant paradise with our expert landscaping and irrigation services. We design and install everything from colorful flower beds to serene water features. Our irrigation systems are tailored to meet the specific needs of your landscape, ensuring that your plants receive the right amount of water without waste. We take pride in creating outdoor spaces that are not only beautiful but also sustainable.

Woodworking & Lighting

Add warmth and character to your outdoor areas with our custom woodworking and lighting solutions. From pergolas and arbors to custom benches and garden boxes, our woodworking services are designed to complement your landscape perfectly. Our lighting installations add the finishing touch, highlighting your favorite features and creating a magical atmosphere that can be enjoyed day or night.

Patios & Decks

A well-designed deck or patio can transform your outdoor space into a functional extension of your home. We offer custom deck and patio designs that are tailored to your specific needs and preferences. Whether you're looking for a cozy spot to unwind after a long day or a spacious area for entertaining guests, our team can create a space that meets your needs and enhances the beauty of your property.

General Maintenance

Keeping your outdoor spaces in top condition requires regular maintenance, and we're here to help. Our maintenance services include everything from lawn care and tree trimming to seasonal clean-ups and more. We understand the importance of a well-maintained landscape and work diligently to ensure that your property always looks its best.
